

Get better style and pay one-third

More men buy their clothes here than in any other clothing store in America—men who know good clothes, who choose for fabric, style and fit, and not for price alone. They get real style—choice all-wool fabrics—honest tailoring and perfect fit—all at prices at least one-third lower than elsewhere!

Other clothiers try to tell you that you must pay high prices to get good quality. My values prove conclusively that you don't! Other stores must charge high prices because none of them enjoy the economical selling methods that I do.
